DETAILED ACTION

Allowable Subject Matter

Claims 1-24 are allowed. The following is an examiner's statement of reasons for allowance: The prior art of record does not disclose a process for the production of products which are liquid at ambient conditions and contain organic sulfur compounds of higher molecular weight than corresponding sulfur-containing compounds in the feedstock which contains an initial contacting stage and a subsequent contacting stage wherein an alkylation product from the initial stage is subjected to the subsequent stage at temperatures at least 10 C lower than the average of the elevated temperatures in the initial stage.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
